With its bright, high-resolution screen, perfect balance of ruggedness and lightweight design, and integrated barcode scanning, the RT10W improves worker productivity while maintaining a low total cost of ownership.

FEATURES AND BENEFITS

**Powerful barcode scan capabilities** including near, mid and far range scans with instantaneous autofocus.

**Turn data into action** with the RT10W and Operational Intelligence. Find and fix problems like device abusers, or units that weren’t charged overnight.

**Stay connected with field employees with the RT10W and Smart Talk.** Connect field workers with subject matter experts using secure PTT, text, voice and video communications.

**Rugged construction** withstands 1.2 m (4 ft) drops to concrete using MIL-STD 810G standards, and has an IP65 rating against dust and water.

**Vehicle docks for forklift mounting, desk docks for office use, hand or shoulder straps for keeping your tablet at your side – the RT10W has a full suite of accessories for many different workflows.**
